

Avast[®] Business Managed Workplace

Revolutionizing the way you drive your business

Customers demand increased service levels and you have to stay one step ahead.

Managed Workplace puts you steps ahead. Accelerate your sales with an all-new, simplified service delivery model to provide never-before-seen standardization and efficiency out of the box.

An action-packed dashboard provides the insight and clarity into how your service offering is directly benefiting your customers with increased uptime, stability and security. We didn't just change Managed Workplace, we're changing the RMM world.

- Onboard new customer sites in just five clicks
- Easily match your service offerings with RMM configurations
- Spend less time managing your management tool more time focused on your customers and growing your business
